A. & C. TO LAND REVENUE RULES—18 AND 20.

(1) Add the following paragraph at the end of Rule 20 of the Land Revenue Rules:—

"Where sand, stone or such other materials are removed for a public work by any department or local authority by its own agency or through contractors to whom permission has been given under this rule, the Officer in charge of the work should arrange to collect royalty at the prescribed rates and credit the same to Land Revenue. Executive Engineers and other Departmental Officers in the case of District Boards and Municipalities, etc., should furnish to the Deputy Commissioners of Districts, every month a statement showing the names of persons to whom such permission is given, the quantities of the different materials used, the royalty payable thereon and the amounts actually credited. In all other cases a person who wishes to quarry or remove the said materials whether for a Government work or other purposes should obtain the permission of, and pay royalty to, the Revenue Department directly. The rates of royalty at present fixed by Government are given in Appendix A."

(2) Transpose Appendix A of the Land Revenue Rules from Rule 18 to Rule 20, omitting "Fuller's earth" therefrom.

(3) Omit the second para of the Note under Rule 18 and substitute the following therefor:—

"The rates charged by the Deputy Commissioner under the rule are given in Appendix M."
